
A Glasgow Gang Observed 3rd Edition

gangs and global exchange conference report final - gang conflicts have always been centred in some parts of the city, and not in others. in glasgow, gang conflicts have always been concentrated in the east, and never the west. in certain areas of the east end and south side, e.g. bridgeton and the gorbals, gangs became institutionalised part of the community. they were a means through **moral panics and glasgow gangs: exploring 'the new wave of ...** - on 10 january 1966, the front page of the glasgow herald reported that a gang of around 150 youths carrying weapons in easterhouse had been chased by members of a local tenants' organisation formed 'to combat gangs, who have been causing trouble in the area for some six months'.²² this was the 'relatively unorganised on-the-spot **action on violence - cirv** - • targeting at risk gang members - phase i - 55 gangs / approx 700 (aged 12 - 26) glasgow east end - 25% on the cusp and 5% already engaging in chaotic gang lifestyles. ensuring agencies engage with the 'right' client group. • information sharing - cirv will be the custodian of a gang database for the target population **troublesome youth groups, gangs and knife carrying in scotland** - gang activity and knife carrying in a set of case study locations. • provide an in-depth account of the structures and activities of youth gangs in ... dundee, edinburgh, glasgow and west dunbartonshire. there were two major data collection components. first, the research interviewed those engaged in the **gang membership, drugs and crime in the uk** - gang membership, drugs and crime in the uk 307 given the level of current interest in the development of street gangs in the united kingdom, it is perhaps surprising that so little attention has ... **scotland launches initiative - university of cincinnati** - glasgow's gang culture a £5m plan to tackle gangs in glasgow's east end has been launched by scotland's national violence reduction unit. the community initiative to reduce violence (cirv) has been 18 months in the planning and is based on the boston ceasefire project. **situating gangs within scotland** **illegaldrugsmarket(s)** - drug problem, gang typologies, including mclean's(2017) evolving gang model, and the role of gangs in scotland's drug market. next, we outline the data sources and method. this is followed by the findings, which detail differences between gang type and drug supply type. a discussion follows situating the findings within the context of **operation modulus: putting christie into practice in gorbals** - operation modulus: putting christie into practice in gorbals richard brunner and nick watson . what works scotland ... with community planning partnerships involved in the design and delivery of public services (aberdeenshire, fife, glasgow and west dunbartonshire) to: ... focused on a teenage gang in the gorbals area of glasgow. we use this as ... **labeling and deviance: fraternities and gangs** - signs, rituals, symbols, and slang, much like the today's gang. in the 1800s, outlaws such as billy the kid and the james gang reigned in the wild west. in the late 1800s in new york, groups of immigrants moving into america formed gangs in the famous downtown manhattan five points area. one such gang, the five points gang named for the area, **gangs and a global sociological imagination - gang research** - understand the global gang phenomenon from the bottom-up. in making this argument, we draw on a transnational research exchange between glasgow and chicago which drew on comparative ethnographic observations. grounding comparative analysis at this level reveals significant divergences in the nature, meaning and history of gang identifi- **children and young people in gangs: a longitudinal analysis** - gang member and previous violent victimisation were significant factors for persistent gang membership. there was a lack of evidence relating to parenting, but the parents who knew their children's peers (a proxy measure for parental supervision and monitoring) were less likely to have children who joined and remained in a gang. these **research methods - sociology** - research methods and non-members alike, of robert taylor homes. in so doing, venkatesh revealed a complex mix of subculture (the black kings were a highly-organised gang with a clear hierarchy, recruitment rituals, and socialisation processes) and culture - the gang were embedded in the day-to-day life of the projects. **criminal street gangs invested in kentucky >>** - in 2001 to investigate gang-related web sites, which they say had grown to the tens of thou-sands nationally. one of the sites they noted belonged to the p-town gang in kentucky, which blatantly offered a link to submit a re->> sumé to become a part of their gang. in bowling green, it was 1996 that the community began to take notice of gang
